2020 Community Partners Application

SUMMER SOLSTICE FEST

While partnership opportunities will be determined in advance of each festival by the Festival Committee – and may not exist at all festivals – DBI would like to know what festivals would be of interest to your organization. If invited to partner, the Community Partner will be expected to return a non-refundable Community Partner fee of \$50.

STEPPIN' OUT

Downtown Blacksburg, Inc. values the contributions of the many not-for-profit organizations in our community. DBI will strategically place not-for-profit organizations within Steppin' Out through our Community Partners Program.

Community Partners will be organized within the following three core community categories that DBI seeks to further through its mission. This is a great chance for your organization to connect directly with the demographic it serves. Submissions of interest will be considered from organizations whose primary missions fall into one of the following categories:

Health & Wellness (Roanoke Street)

40x30 tent with up to two sponsors and four partners

Organizations whose primary mission is to provide services to families and individuals in these areas: mental/intellectual, physical, emotional, occupational, social or environmental health.

Welcome (Lee Street)

20x20 tent with one sponsor and two partners

Organizations whose primary mission is to provide welcome services and information about life in the NRV.

Teens (College Avenue)

20x20 tent with one sponsor and two partners

Organizations whose primary mission is to provide opportunities and services to area teens.

If invited to partner, the Community Partner will be expected to return a fee of \$50 and Sponsors will be expected to return a fee of \$250.
